T450 from Tankoa,
due for delivery 2021.

TANKOA T450

Italian builder Tankoa's latest model, the T450, will be available for delivery in 2021 and continues this yard's excellent, and award-winning, reputation for a perfect balance between interior and exterior design.

The optimal arrangement of the interior places a huge emphasis on living spaces, which are to be best-in-class, with six equally impressive suites.

On deck, a headline feature is the large, open beach club, unique in size and specification on a yacht of this length, with a timelessly-styled sailboat style. The open-air lounge is situated on the upper deck, offering vast areas for perfect cruising and total comfort.

Still in build, specific styling and features may be personalized to clients' needs and desires. cost of your charter and all additional costs.

TANKOA SOLO

The award-winning SOLO, built in 2018 by Tankoa Yachts, is the most impressive yacht yet from this pedigree Italian shipyard. A true masterpiece of design, this is every inch the new yacht, but without the wait time. Combining performance and style, SOLO has benefitted from extensive design investment and technologies that make her capable of global exploration. The modern and minimalist styling, that makes use of natural materials, has a contemporary feel and blends satin finish marble with high-gloss Macassar ebony. Designed with charter in mind, she can be considered a true and rare investment opportunity yacht that incorporates all the elements needed to host large charter groups while also being perfect for private use.
