The **Fort Lauderdale International Boat Show**, which takes place November 3 to 7, encompasses everything from yacht builders and designers to superyachts and exotic cars. As the largest boat show in the United States, the four-day spectacle is the perfect overview both for those new to the yachting industry and those looking to buy a vessel of their own.

Connoisseurs are sure to appreciate the VIP experiences at Windward Club, which include gourmet dining options, meet-and-greets, and an open bar. In addition, the onsite concierge team can reserve private yacht tours for VIP individuals and their guests. This year, highly anticipated debuts including Heesen's 229-foot [Galactica Super Nova](#) and Tankoa Yachts' 228-foot [Suerte](#) are guaranteed to steal the show.
