Recently launched [Tankoa's](#) 50m superyacht [Vertige](#) was tested during her first sea trials in the waters of [Italy](#). Built to the design drawn by [Francesco Paszkowski](#), this superyacht features timeless exterior with bold lines that make her appearance on the water more impressive.

TANKOA VERTIGE - first sea trials

The amount of luxury amenities found on board Vertige is compared to the size of much larger superyachts. There is a fully equipped gymnasium, a home cinema theatre, and a large tender garage. Opulent accommodation is offered for 12 guests in the following accommodation layout: a full-beam master suite, a VIP suite and four guest cabins on the lower deck.

TANKOA VERTIGE sea trials

The General Manager of Tankoa Yachts said that Vertige exceeded expectation at her first sea trials: she managed to reach a top speed of 16.5 knots at 60% load. In addition to that, Vertige's capability of crossing the Atlantic is undoubtful, as she has a range of 5,000 nm at 12 knots.

Whilst it is unknown whether Vertige will become available for charter, there is a beautiful Tankoa charter yacht [SUERTE](#) that is available right now. [Contact CharterWorld](#) for more information.
