

# Monaco Yacht Show 2017

From 27th to 30th September this year the annual Monaco Yacht Show will take place again in Port Hercules, Monaco's famous harbor. For the 26th time more than 590 of the world's most famous exhibitors of the yacht industry come together and present over 125 exceptional super yachts. As every year, more than 34,000 visitors are expected to admire the yachts with a total value of more than 3 billion euros. In addition

to the classics, innovative yachts will be presented as well this year – the 49.9 meter long "Vertige", a mega yacht of the Italian shipyard Tonko Yachts from Genoa. Designed by the designer Francesco Paszkowski, this yacht offers a gym as well as a cinema. More examples and information can be found here.
