NEW 58M SUPERYACHT CONCEPT UNVEILED BY TANKOA YACHTS

Tankoa Yachts, the Italian shipyard that launched the **69.30m** superyacht **Suerte** in **June 2015**, has today unveiled a new motor yacht concept.

58m long and **9.60m** wide, this yacht is characterised by a sporty look, designed by **Francesco Paszkowski Design**, with rectangular portholes in the hull and a sleek, compact superstructure.

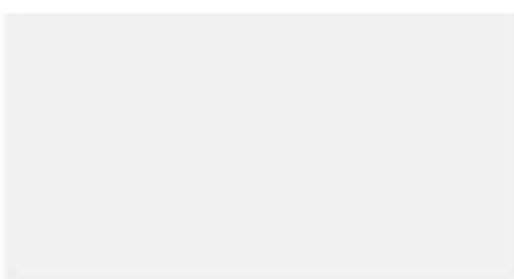

Equipped with three **MTU 2,000kW** diesel engines coupled to two **Rolls-Royce Kamewa** waterjets and a central booster, the all-aluminium yacht boasts a maximum speed of **28/30 knots** at half load.
